Climate Action Plan for Ontario	Green Party of Ontario	Liberal Party of Ontario	Ontario New Democratic Party	Progressive Conservative Party of Ontario	Comments
1. Set binding climate targets based on science and justice consistent with global efforts to limit planetary warming to 1.5C.	Partial	Partial	Partial	No Response	Liberals, Greens & NDP all have the same 2030 target which is 50% reduction by 2030 which is less than the 60% reduction target put forward by Climate Action Network
2. Prioritize and respect Indigenous sovereignty and autonomy.	Full	Full	Full	No Response	
3. Invest in a thriving, regenerative, zero emissions economy.	Full	Partial	Full	No Response	
4. End all fossil fuel subsidies immediately and rapidly wind down all fossil fuel use.	Full	Partial	Full	No Response	
5. Prioritize public health as the climate crisis is our single greatest health crisis.	Full	Full	Full	No Response	
6. Accelerate the transition to zero emission buildings.	Full	Partial	Full	No Response	
7. Accelerate the transition to zero emissions transportation and ensure ongoing sustainable community development.	Full	Full	Full	No Response	
8. Urgently protect natural biodiversity.	Full	Full	Full	No Response	
9. Invest in local, organic, regenerative agriculture and food systems.	Full	Full	Full	No Response	
10. Institute a broad public education campaign, as we all have the right to know what's at stake.	Full	Full	Full	No Response	
11. Reinststate an independent office of the Environmental Commissioner.	Full	Full	Full	No Response	
12. Leave no one behind.	Full	Full	Full	No Response
